Attached please find an application form for our Zone 23 Camp which is to be held at Silver Hills Farm, which is just south of Camden, an easy drive for most of us.

Silver Hills Farm has a full Cross Country course, Dressage and Showjumping arenas as well as room for many other activities.

During the course of the Camp, we will be running a Senior Eventing School with Sam Lyle and an Equitation School with Gina Haddad.

Riders will be accommodated in 4-6 person tents with riders of a similar age-They may not camp with their parents. There are facilities for parents to camp on site but only a few powered sites are available. There are several local motels in the district should parents wish to stay.

Horses will be accommodated in open yards.

It is a condition of acceptance that each participant has an adult helper to be available on at least one day of the Camp, to help either in the canteen or on the field.

The Camp will be limited in numbers, and your attendance and current involvement at your Pony Club will be taken into consideration.

A complete itinerary, together with what you need to bring, time of arrival and everything else you need to know, if you are accepted, will be sent to you toward the end of March.

Full fee for the Camp is \$245, which includes everything except feed for your horse.

Closing date for applications is 7th March
